ITALY ON YOUR TABLE

more than **20 years** in the restaurant business

Welcome to Lena Italian Catering where the rich flavors of Italy come alive through our passion for food and family traditions. Our story begins in Naples where the art of cooking was shared among the members of our family.

Our journey started with our Mamma Lena and her kitchen was the heart of our home. She taught us that the secret to unforgettable meals lies in the love and care put into every dish. From hand-rolling pasta to simmering sauces, mamma Lena recipes are a testament to the beauty of simplicity and the importance of fresh, high-quality ingredients.

We are dedicated to bringing the authentic taste of Italy to your table. Our menu is crafted with the same passion and attention to detail that mamma Lena instilled in us, ensuring that every bite is a celebration of Italian Culinary Tradition.
